

Due by Oct. 21st: money, spreadsheet with sales numbers by boy along with their prize selection.

Please do not be late. You can e-mail me the totals. - Don't forget money should be collected at time of the sale. - Make a copy or e-mail me your sales in the attached spreadsheet.

Keep your copy so you can deliver your sales once popcorn is received.

Make sure all checks are made out to Pack 273.

Cash can be done two ways: turn in the cash or write a check to pack 273 for the total cash sales. The second method makes it easier on me.

Based on the dollar amt. of sales, select the prize by number. If the sales are \$125 or greater more than one prize can be selected as long as it does not go over the Prize Level that was achieved. Example: \$125 reached for level three. Then the scout can select one "level one" and one "level two", or one "level three" prize. Let me know what you select by writing it down with your order.

Collect your popcorn at the Scouting for Food event on Nov. 12 at Norton Elementary. Or if you do not attend I will have it for you at the next den meeting.

If you have any questions please let me know. We have very limited time to sell and this makes up most of our funds for the year. Thank you for motivating your boys to get out and sell over the next 3 weeks.
